CENTRAL BLOOD BANK
Brighten Life

Firefighter **Doug Weaver**, 33, from Engine and Truck #6 has been recently diagnosed with an acute form of leukemia, a cancer of the bone marrow. He is currently hospitalized at UPMC Shadyside, where he is undergoing five weeks of chemotherapy. As part of his treatment, Doug will need numerous blood transfusions.

Along with his wife, Kalie, Doug has two children, Reyghan, 14, and Genly, 8. He has been a firefighter for three years.

Doug will need the continued support of the entire membership of Local No.1 during his long and arduous fight. We are asking all firefighters, and their families and friends, to please donate blood in Doug's honor!

Central Blood Bank is the not-for-profit organization that supplies blood products and transfusion-related services to more than 40 hospitals in western Pennsylvania, northern West Virginia, and eastern Ohio.
